SITUATION SUMMARY

Cal OES Activation Status

State Operations Center	Inland Region EOC	Coastal Region EOC	Southern Region EOC
Level 1	Level 1	Level 1	Level 1

Sinkhole, Northbound/Southbound I-5 Closure, Tracy, San Joaquin County

On 05/31/16, the California State Warning Center (CSWC) was advised of a sinkhole that appeared on Northbound I-5 south of Tracy, San Joaquin County.

- On 06/04/16 at 0514 hours Caltrans reported:
 - The route is reopened to Northbound traffic and as of 06/04/16 at 1100 hours, is no longer reduced to 1 lane at the Jct. of SR 33.
 - The cause of the sinkhole was a broken irrigation pipe. Repairs to the irrigation pipe have been completed.
 - Estimated Time of Reopening (ETR) for Southbound traffic is 06/05/16 at 1200 hours.
- There are no requests for State assistance.

9-1-1 Outage, Novato, Marin County

On 06/04/16 at 1750 hours, the CSWC was advised of a 9-1-1 and telephone outage in Novato, Marin County due to unknown reasons

- Approximately 468,075 telephone numbers have been affected
- Novato Police Department (PD) has been affected
- Calls to Novato PD have been forwarded to Marin Sheriff's Office
- Repairs at both ends of the damaged fiber are currently underway. Estimated Time of Repair: Unknown

9-1-1 Outage, Santa Cruz County

On 06/05/16 at 0010 hours, the CSWC was advised of a 9-1-1 interruption at Santa Cruz Communications Center

- The PSAP has chose not to reroute calls. Calls are being answered intermittently.
- Calls are now rerouted to their backup site, San Benito Police Department with Automatic Number Identifier (ANI) and Automatic Location Identifier (ALI).
- The reroute was done via alternate answer switch.
- The problem has been identified as a network issue and the lines have been restored, but the PSAP wanted to keep the reroute for a week due to maintenance phone upgrade.
- PSAP will contact the AT&T 9-1-1 Resolution Center when they are ready to take the reroute down to make test calls.

SITUATION SUMMARY

Southern Region Excessive Heat Event 06/03/16 – 06/05/16

Preparations are underway in response to the forecasted Excessive Heat Event through 06/05/16.

- The Southern Region Duty Officer (SDO) will continue to monitor and provide updates as they become available.

Imperial County

- Imperial County will activate their designated Cooling Centers through 06/05/16.

Orange County

- The Operational Area (OA) will monitor the situation, but does not plan to activate their Excessive Heat Plan.
- County government buildings are available as Cooling Centers. No additional facilities are being opened.

San Diego

- The County will implement the following actions through the weekend:
 - All libraries will be open and serve as Cooling Centers. The libraries will operate on a regular schedule with the exception of Borrego Springs which will have extended hours from 0900 – 1900 hours on 06/04/16.
 - Aging and Independent Services have identified Cooling Centers (local businesses and libraries) that will be open during the weekend. Contacts on this list are currently being verified before the list is finalized. A 24/7 hotline has been established and is available. All information available will be coordinated with County OES and 2-1-1.

San Bernardino County

- Temperatures forecasted for portions of the County meets the Excessive Heat Warning Phase III of the San Bernardino County Operational Area (OA) Excessive Heat SOG. San Bernardino County Operational Area has advised their cities of the Excessive Heat Warning.
- At this time, the OA plans to monitor the situation and gather additional information from the NWS.

Inland Region Excessive Heat Event 06/03/16 – 06/05/16

- Kern, Madera, and Sacramento Counties have opened Cooling Centers in response to the forecasted Excessive Heat Event this weekend.
- San Joaquin and Merced Counties will be assessing conditions throughout the weekend.
- The Inland Region Duty Officer (IDO) will continue to monitor and provide updates as they become available.

Coastal Region Excessive Heat Event 06/03/16 – 06/05/16

- The Cal OES Coastal Region Duty Officer (CDO) has polled all Coastal Region Counties.
- At this time, no specialized cooling centers are being opened.
- Counties report that impacted residents are being referred to local public venues such as libraries, community/senior centers and malls to cool off.
- Santa Clara County will be pushing information out on social media and using 2-1-1.
- The CDO will continue to monitor.
